Akhand Keertanee Jathaa held an International conference call on, Saturday November 7th, with representatives from India, UK, USA, Canada, Europe, and Australia to discuss the issues swirling around the calling of Sarbat Khalsa on November 10th. The meeting was presided over by Jathedar Bakshish Singh Jee.

At a time when the attacks on Khalsa Panth have reached unprecedented levels, we cannot afford to stay divided. Our brothers languishing in Indian prisons have also pleaded for Panth to come together. In the conference call, the draft of resolutions made public by organizers of the Sarbat Khalsa were discussed and deemed acceptable. In light of the above, AKJ has resolved to participate in the Sarbat Khalsa. We appeal to Sikh Sangat around the world to leave aside all differences and come together around these resolutions. We also appeal to the organizers of the Sarbat Khalsa to stay true to the spirit of these resolutions.
